

# You Make the Difference!

MPA relies on our volunteers to help us accomplish all we do for our students and the community.

Your volunteer hours make many wonderful experiences happen for our children.

We encourage you to consider volunteering your time and talents at MPA this school year.

Please check the areas in which you would be willing to help and send the completed sheet to

Bryanna Nagan, Development Associate for Volunteers and Special Events.

Please contact Bryanna Nagan at 651-748-5530 or [bnagan@moundsparkacademy.org](mailto:bnagan@moundsparkacademy.org) with any questions.
