

PA meeting via Zoom
March 27, 2020

On call:
Seema Anwar
Sandy Martinek
Kim Jakway
Susan Knapp
Andrea Dodson
Yuki Miyokawa
Barry Madore

Topics:

Recruitment for next year

We will reach out to some parents that have been very involved in activities this year. Then we will send out a blanket email to parents about becoming involved in activities for next year. We will host a PA happy hour in order to reach out to interested parents.

What we can do for the school during virtual learning

We are waiting on the final step to set up Schoology groups for parents to connect. We will recommend each grade setting up a Facebook account also. The main communication within the grade will be Schoology. Kim will reach out to the grade reps with this information and suggest that they set up the groups for grade. Through this we could set up Zoom gatherings for the kids and other fun connections with the grade.

Upcoming

Since book fair has been cancelled this year, the motion was submitted to donate equal funds that we donated last year. Approved and seconded.
