Budget- Book festival: \$2000.00 was made for the library. Do we want to look into being able to donate to teachers since we were not able to have teacher wish lists with the virtual sale? We could set up a micro fund account for teacher books. Motion to donate remainder of book sale (around 1200.00) to set up a book fund for teachers. We will work with the library to implement this.

Movie night expenses will be put into other expenses since we didn't have a line item for this in the budget.

We have 4500.00 in the angel fund. The funds are still there. Barry will talk with Jennifer Rogers to see if there is still any needs due to COVID. We would like a direct to parent need distribution.

Discussions regarding grade social budgets. Will we carry over unused budget for the next year or make sure it is used for the year that the PA fees were submitted? It was decided that the money currently budgeted should be used for a year end and a beginning of year party.

Next year board:

Shari Jacobus will be taking over the teacher dinners since Tara is stepping down for next year.

We have a spreadsheet in place for open positions and need to decide how to handle elections and voting. We would like to have an email out to families seeing if there was an interest in the board or grade rep for next year.
