MPAPA meeting via Zoom

On Call:

Barry Madore
Sandy Martinek
Dee Dee Chenning
Shari Jacobs
Anissa Mediger
Yuki Miyokawa
Kim Jakway
Michelle Mick
Susan Knapp

Agenda Items: (Typical upcoming events-what do we do)

The PA hosted parking lot meet ups during back to school. Some were well attended. Lower school back to school will be staggered next week and parents can bring their own beverages and gather in parking lot. We will have a spot flagged for parents to socially distant gather. It would be a great way for new parents to meet.

Kick off is usually hosted in September for the PA meet and greet. We will have some open house Zoom meetings for a meet and greet for each division. Original date was September 11th so we will try and schedule around that week.

Discussion and Updates:

Events and Budgets:

Budget: We ended the year with a \$9,643.39 balance. We still have an old bank account with a balance of \$13,000.00. We will also be receiving the PA dues from parents.

Middle School: we have thoughts for middle school cafe and are looking for ideas for parent education.

Lower school: is working on topics for lower school parent education. They are meeting with Lower school director to finalize ideas.

Upcoming events: we have people lined up for events but need to rethink events in case our usual way is not possible due to COVID. We should reach out to organizers so they can think about budgets and ways to work with current events.

We are still waiting to hear from school as to how much money we have to work with from PA dues.
