

PARENT PARKING LOT GATHERING

LOOKING FOR SOMETHING
TO DO DURING YOUR CHILD'S
BACK-TO-SCHOOL VISIT?

Meet in the middle parking lot for a socially distant gathering. Look for the blue ribboned trees and bring your lawn chair. Each parking space is 8 feet and the green space is 12 feet of space, allowing some to "tailgate" at the parking spaces and others to sit across from them along the fence.

REMEMBER
TO WEAR
YOUR MASKS!
